

Photo Requirements for Nominations

Each nomination is required to be accompanied with a minimum of 10 high-resolution, landscape photos. Please see below examples of each type of photo for quality purposes.

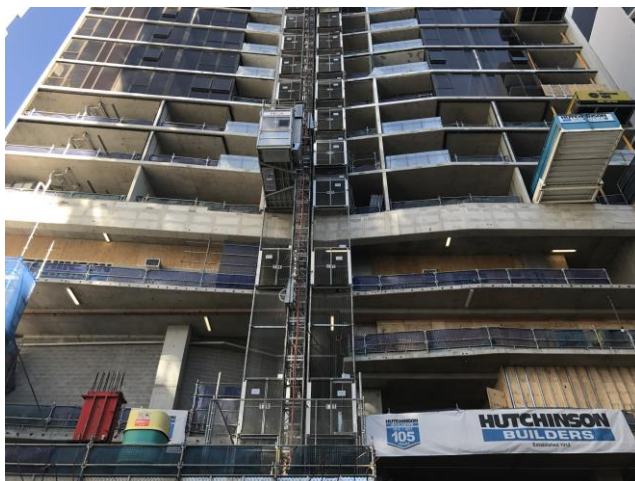

Company Photos

Please supply clear, well-lit landscape photos of the nominee company with any business branding/signage (e.g. work vehicles, building signage, etc.).

Project Photos

Please supply clear design photos of the project and photos of the project under construction/ completed.

Project Work Installation Photos

Please supply clear, well-lit landscape photos of the installed work and products before they were covered (if applicable) to ensure the judges can see the installation and judge appropriately.

Video (optional)

Please supply clear, well-lit landscape video footage of the work being installed.

For further information or clarification, please email events@mpaq.com.au or contact the Events and Communications team at MPAQ on 07 3273 0800.
